

# Immunization eLearning Course

Under the ANA *Bringing Immunity to Every Community* initiative, ANA and Every Child by Two (ECBT) have partnered to produce this innovative continuing education webcast for nurses on vaccine safety and patient communication. Combining a nurse-panel presentation with patient-nurse video vignettes, this course offers practical knowledge and skills to increase immunization competency.

Developed for the nurse in any role or specialty, this course will cover:

- Impact of vaccines on society;
- How the nursing profession is vital to the promotion of immunizations;
- Benefits of vaccination to nurses ( and healthcare workers);
- Vaccine safety and adverse event reporting;
- Common questions and vaccine myths; and
- Risk Communication methods to reduce concerns and increase vaccine acceptance.

**Course Access:** [www.ANAImmunize.org/Webcast](http://www.ANAImmunize.org/Webcast)

**Launch Date:** December 1, 2010

**Termination Date:** November 29, 2012

## Continuing Education

ANA is pleased to offer this online continuing education module **FREE** to members and non-members. 2.5 contact hours will be provided by the Colorado Foundation for Medical Care (CFMC). CFMC is an approved provider of continuing nursing education by the Colorado Nurses Association, accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

## Faculty

Mary Beth Koslap-Petraco, DNP, PNP-BC, CPNP

Katie Brewer, MSN, RN

Content presented during this program was developed by a national Advisory Panel with documented expertise in immunization advocacy and education.

**Content Questions:** Katie Brewer [immunize@ana.org](mailto:immunize@ana.org) or Rich Greenway [Rich@ecbt.org](mailto:Rich@ecbt.org)

**Programming or CE Questions:** Lorraine Pickerell [lpickerell@cfmc.org](mailto:lpickerell@cfmc.org)

## Acknowledgments

Every Child by Two is a 501(c)3 organization specializing in the promotion of early childhood immunization.

This webcast was made possible by Cooperative Agreement #U01IP000378-01 from the Centers for Disease Control and Prevention (CDC). Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.
